- **Message 2 (REAL)**

Subject: Class Timetable Update – Please Note Changes

Body:

"Dear Students,

Your Cyber Security class has been shifted to 11:30 AM on Thursday. The updated timetable has been shared in the school portal.

– School Administration"

- **Message 3 (SCAM)**

Subject: Urgent: Your Bank Account Will Be Blocked!

Body:

"Dear Customer,

We have detected suspicious activity in your account. Please verify your identity immediately by logging in via the link below:

[Secure Your Account]

Failure to act will result in account suspension.

— SBI Secure Team"

- **Message 4 (REAL)**

Subject: Join the Inter-School Drawing Competition!

Body:

"Hi Students,

Exciting opportunity ahead! Our school is participating in the Inter-School Drawing Competition next week. Interested students should register by Friday via the official school website.

Contact your computer teacher for details."

Activity Instructions for Students:

1. **Read all four messages carefully.**
2. **Mark which ones are scams.**
3. **Explain how you identified them (look for urgency, unknown senders, links asking for personal info, poor grammar, etc.).**
